A HAPPY, LAUGHING
CHILD IN FEW HOURSIf Cross, Feverish, Tongue Coated or
Sick, Give "Syrup of Figs"

Mother! Don't scold your cross, peevish child! Look at the tongue! See if it is white, yellow and coated! If your child is listless, drooping, isn't sleeping well, is restless, doesn't eat heartily or is cross, irritable, out of sorts with everybody, stomach sour, feverish, breath bad; has stomach ache, diarrhoea, soar throat, or is full of cold, it means the little one's stomach, liver and bowels are clogged with poisons and foul, constipated waste matter and need a gentle, thorough cleansing at once.

Give a teaspoonful of Syrup of Figs, and in a few hours all the clogged up waste, undigested food and sour bile will gently move on and out of its little waste clogged bowels without nausea, griping or weakness, and you will surely have a well happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful, besides they love its delicious taste.

Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator needed—a little given to-day will save a sick child tomorrow.

Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.

MR. LAFFOON'S VIEWS

Mr. Laffoon, if Elected Sheriff, Will Not
Claim a Percentage For Pay-
ing Out Money

Madisonville, Ky., April 7-13
To the Democrats of Hopkins
County:—

Since my announcement as a candidate for the democratic nomination for the office of Sheriff of this county, a number of my friends have asked me in the event of my election to that office, if I would ask the Fiscal Court to make an allowance to me for paying out money upon claims owing by the county for various purposes. In answer to this question I have said: If I am elected sheriff it will be my duty to pay out all monies as directed by lawful authorities, and that I will not ask to receive any compensation for paying out the money collected by me as sheriff from the taxpayers of the county upon any claims against the county. I will be satisfied to collect as sheriff and receive the lawful commission paid for the collection of taxes, but will want nothing for paying the money out.

In this connection, I desire to say that I believe the people have a right to know who will serve them in the capacity of deputy sheriff, when they vote for and elect the Sheriff, and in order that there may be no misunderstanding about who my deputies will be, in the event of my election, I will, therefore, as soon as I have selected them, make their names known to the public.

In the prosecution of my candidacy, I will not resort to any trick or subterfuge to gain votes, but I earnestly desire to take the people into my confidence, because, if I am elected, my high-

B. E. (Pete) LAFFOON CAN-
DIDATE FOR SHERIFF

Prominent Democrat of the Anton Country Makes Formal Announcement

The democrats all over Hopkins county read with more than ordinary interest the announcement of B. E. Laffoon in the last issue of The Hustler as a candidate for the democratic nomination for sheriff.

Mr. Laffoon is widely known and generally popular with the people. He is genial, whole-souled, wide awake and has always been willing to serve the democratic party at any hour, day or night, when called upon in line of duty.

He is a farmer on an extensive scale and has had varied experience as a business man which splendidly fits him to discharge the duties of the office of sheriff, which in the nature of things requires careful business management.

There can be no reasonable doubt that Pete Laffoon will be one of the contending men in the race and no doubt whatever that the county would have an excellent sheriff should it be his good fortune to win the nomination and election.

BARS MUSICAL
AUTO HORNS

French Judge Says Law Requires
Single Note, Grave, Even
Sinister

By Marconi Transatlantic Wireless Telegraph To The New York Times

Paris April 14.—The musical automobile horns which threatened to fill the main streets of Paris with snatches of popular or classical airs instead of the usual "honk, honk" have come to a quick finish in France.

A test case was brought against two motorists of Douai, who evinced the night trumpeting the leitmotif of "Die Walkure," and it has been decided that these instruments are illegal here. The decision brought out a judicial definition of the word "horn," which had been hitherto widely interpreted.

"The latter," said the Judge, "must be for the purpose of sounding an alarm and be used to warn the public, not to amuse it. It must not give forth a single note which should be grave, even sinister, in order to call attention to impending danger."

"The new fanfare horns," added the Judge, "lack seriousness, and are therefore outside the meaning of the act."

C. W. B. M.

The Earlinton C. W. B. M. were invited to Madisonville Monday afternoon to meet the new Secretary at the Church building. Among those that went from here were Mesdames D. M. Evans, Harriette Browning, Ed Rule, H. L. Browning, John Long, J. M. Oldham, George Motherhead, Theo Watts, H. J. Brazelton, F. D. Rash, W. H. Whitford, Iley Brinkley, and E. W. and L. V. Renfro. Rev. Howard Brazelton was there also.

Kissing Conjugated

"Sam" Slick once said that kisses were like creation—made out of nothing and very good; and another American writer thus conjugated the verb "to kiss." "Buss, to kiss; rebus, to kiss again; pluribus, to kiss without regard to numbers; syllabus, to kiss the hands instead of the lips; blunderbus, to kiss the wrong person; erbus, to kiss in the dark; omnibus, to kiss everyone in the room."

"Pape's Diapepsin" Digests Food When
Stomach Can't—Cures Indigestion

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, jot this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapepsin" is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as "Pape's Diapepsin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations or undigested food, you head clears and you feel fine.

Go now, make the best investment you ever made, by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.

Ballard's SNOW LINIMENT

Is the Right Remedy for All Abrasions of the Flesh.

If the wound is cleansed and the liniment applied promptly, the healing process begins at once and the wound heals from the inside outwardly, thus performing a perfect cure that leaves no scar. If the wound heals on the outside too quickly, pus forms under the surface and breaks out into a running sore that is hard to cure and inevitably leaves a bad scar.

Owners of blooded stock prefer this liniment to all others for that reason, and they use it not only on fine animals, but on human flesh, as it does its work quickly and thoroughly.

Price 25c, 50c and \$1.00.

HOW TO RESIST

Chronic Coughs and Colds.

Strong, vigorous men and women hardly ever catch cold; it's only when the system is run down and vitality low that colds and coughs get a foothold.

Now isn't it reasonable that the right way to cure a cough is to build up your strength again?

Mrs. Olivia Parham, of East Durham, N. C., says: "I took Vinol for a chronic cough which had lasted two years, and the cough not only disappeared, but it built up my strength as well."

The reason Vinol is so efficacious in such cases is because it contains in a delicious concentrated form all the medicinal curative elements of cod liver oil, with tonic, blood-building iron added.

Chronic coughs and colds yield to Vinol because it builds up the weakened, run-down system.

You can get your money back any time if Vinol does not do all we say. St. Bernard Mining Co. Incorporated Drug Department Earlington, Ky.

WOMAN'S ILLS DISAPPEARED

Like Magic after taking Lydia E. Pinkham's Vegetable Compound.

North Bangor, N. Y.—"As I have used Lydia E. Pinkham's Vegetable Compound with great benefit I feel it my duty to write and tell you about it. I was ailing from female weakness and had headache and backache nearly all the time. I was later every month than I should have been and so sick that I had to go to bed.

"Lydia E. Pinkham's Vegetable Compound has made me well and these troubles have disappeared like magic. I have recommended the Compound to many women who have used it successfully."—Mrs. JAMES J. STACY, R. F. D. No. 3, North Bangor, N. Y.

Another Made Well.

Ann Arbor, Mich.—"Lydia E. Pinkham's Vegetable Compound has done wonders for me. For years I suffered terribly with hemorrhages and had pains so intense that sometimes I would faint away. I had female weakness so bad that I had to doctor all the time and never found relief until I took your remedies to please my husband. I recommend your wonderful medicine to all sufferers as I think it is a blessing for all women."—Mrs. L. E. WYCKOFF, 112 S. Ashley St., Ann Arbor, Mich.

There need be no doubt about the ability of this grand old remedy, made from the roots and herbs of our fields, to remedy woman's diseases. We possess volumes of proof of this fact, enough to convince the most skeptical. Why don't you try it?

The Farmers National is a clean, sound, strong bank, following conservative methods.

Quite a number of miles of road work was let at the meeting of the Fiscal court in Madisonville last week. If they keep up the good work it won't be long before Hopkins county will have some as good roads as other counties in the Western part of the state.

To Our Friends and Neighbors

You know us. You know we would not—that we could not afford to go back on our word. Nor can you afford to ignore this money-back-if-not-satisfied offer on this splendid laxative.

We honestly believe we have the best bowel remedy ever made—the most pleasant to take, most permanently beneficial laxative for relief from the miseries and dangers arising from constipation.

We wouldn't say this if we didn't believe it to be true. We wouldn't risk our reputation by making such statements did we not feel sure you would find them true.

Our faith is built both on the knowledge of what Rexall Orderlies are made of and on observation of very many severe cases in which they have proven their merit.

Try them at Our Risk

If they do not abundantly prove their merit with you also—if you are not entirely satisfied with them—we will refund your money—and we will do that on your mere say-so. We don't ask you to risk a penny. Isn't that fair?

Just let the bowels fail in properly doing their work—just let their action be delayed and incomplete and the entire system and every other organ suffers. Wastes that

CAUTION: Please bear in mind that Rexall Orderlies are not sold by all druggists. You can buy Rexall Orderlies only at The Rexall Stores.

You can buy Rexall Orderlies in this community only at our store:
